When Lave Grows Cold.

CONTRACTOR OF THE PROPERTY OF

BY JOSEPHINE POLLARD.

There is peace within the house, Though the wild winds storm, There is joz within the house. When the heart is warm: But there's trouble every day Tall the year is old, And sorrow worse than death, When fore grows edd.

There is sunshine on the way When the heart is light; There car pleasant tameles play Whom the heart is bright. But o'er carth's attractive thougs There's a thoul of darkness rollel, Oh, worse than a unitry shroud,

There are words that burn like stars 10h, how depothey shine! There are soules that light the soul With a jor divice; But the augusti and the pain Cancot yer los told That settle on the heart

When love grows cold.

When love grows cold. Two work in unison sweet When love burns bright; Two share in every bliss. But the world is not tor wide

Hearts estronged to held.

Not the gray too dark or deep When love grows cold There's a curse more the house. There san a vit in the land, There's a raptor at the heart, There's a blight on every bank No tragrance to the flower-,

No value to the cold. No pome or confort anywhere When love grave red

What to Teach the Boys.

From the Temperance Advance, Alfred L. Sewell, is his new monthly for boys, Home Arts published in Chicago, writes as follows:

A philosopher has said that true islneation for lays is to "leach them what they ought to know when they

What is it they ought to know, then ? 1st. To be true-to be gennine. No education is worth anything that does not include this. A man had better and know how to real-he had better never learn a letter in the alphabet and be true and genuine in intention and action, rather than, being learned in all sciences and in all languages, to be at the same time talse in heart and counterfeit in life. Above all thingteach the boys that truth is more than riches, more than culture, more than

any earthly power or position. 2d. To be pure in thought, language and life-pure in mind and in body. An impure man, young or old, poison- thandsome Disigns. ing the society where he moves, with smutty stories and impure examples is a moral ulcer, a plague spot, a leper who ought to be treated as were the lepers of ald, who were banished from LADIES MISSES, BOYS and YOUTHS society and compelled to ery nuclean, orade to under as a warning to save others from the pestilence.

feelings and comfort of others. To be boots and show and presents new ones trong transfer to be best and show and presents new ones trong transfer over, wearing of at the sides or rip polite. To be just in all dealings with others. To be generous, noble and single parts by mail for 25 etc. Sample dog en print, by total \$1.50. Address orders to INGALLS 4 Ct., Mire, and dealers in Boots and Shoas, Nu. 278, West Main St., Louisville, Kentucky. erol.

ful, even from early childhood. To be imhistrions always, and self-supporting a removed at the earliest proper age. Teach them that all henest work is honorable, and that an idle, useless life of dependence on others is disgraceful.

Ayer's Sarsaparilla

For Scrofnla, and all serofulous diseases, Erysipelas, Rose, or St. Antho-ny's Fire, Fruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidseys, Lungs, Pimples, Pustules, Boils, Blotches, Tumers, Tetter, Salt Rheum, Scald Head, Bingagerm, Clean, Head, Ringwerm, Clears. Sores, Bheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhova, arising from internal ulceration, and Uterice disease, Syphilitic and Mercurial dispases, Dropey, Dyspersia, Prosciation, Beneral Rebility, and for Purifying the

This Sarsaparilla is a combination of vegetable alteratives - Stillingia, Mandruke, Yellow Bock - with the helides of Petassium and Iron, and is the most efficacious medicine yet known for the discuss it is intraded to cure.

Its ingredients are soskilfully combined, that the full alterative effect of each is assured, and while it is so mild es to be harmless even to children, it is still so effectual as to purge out from the eystem those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the comtry repose in it, proce their experience of its usefulness.

Certificates attesting lis virtues hace ton has been visiting relatives here. Int accumulated, and are constantly being we are sorry to harn that sley has re- reveived, and as many of these cases are Juldiely known, they farnish concincing ecidence of the superiority of this Sarsaparilla over every other alterative visiting relative here also, and we are misdicine. So generally is its superi-Forry to learn that she too, is going to ority to any other medicine known. That we need do no more than to assure the public that the best qualities it has ever lossessed are strictly maintained.
